

LAWN and LEAF MOISTURE RESISTANT BAGS

Wet waste (refuse) bags provide thread free, leak proof bags for behavioral hospitals, behavioral departments, and institutional use.

EVERSEAL BRAND BAGS

We offer an alternative to traditional plastic/wax coated bags. Our EverSeal brand bags are environmentally safe, biodegradable, and compostable. They are heat sealed, high performance wet strength (70/100 grams/sq. meter) bags with 15/18 micron polyethylene inner coating.
